

## EMB JOINS THE NATION IN CELEBRATING THE 32<sup>nd</sup> NATIONAL STATISTICAL MONTH

The Environmental Management Bureau (EMB) of the Department of Environment and Natural Resources (DENR) joins the national celebration of the 32<sup>nd</sup> National Statistics Month (NSM) this October 2021, with the theme: “NSM@32: Revving Up for Economic and Social Recovery Through Evidence-Based Policies.”

This annual celebration is pursuant to Presidential Proclamation No. 647 s. 1990. Hosting this year’s celebration are the Department of Labor and Employment and the Bangko Sentral ng Pilipinas.

“Makakalikasang Pagtugon Tungo sa Pagbangon ng Ekonomiya” is the DENR’s theme for this year which will focus on the department’s programs and projects in relation to the NSM Theme.

As part of the innovations of EMB, Environmental Statistics was published in the EMB Website to provide up-to-date data and information on EMB mandates. Environmental Statistics are publicly accessible through an interactive dashboard posted at the EMB website which includes the data from the following sectors:

- Air quality management data
- Water quality management data
- Solid waste management data
- Chemical management data
- Hazardous waste management data
- Environmental impact assessment management data
- Environmental laboratories

There are also internal dashboards through the Integrated Information System (IIS) especially for the collection of data from EMB’s online permitting system. This includes the Clearance

and Permitting Division dashboard which shows the current information/status including the number of processing days per case handler of all permits/clearances being approved by the bureau. There will be also a page under the Environmental Statistics that the status of application of all firms will be accessed as part of the agency's transparency effort.

The EMB Environmental Statistics website may be accessed at <https://emb.gov.ph/environmental-statistics-2/>.
