

## EMB WELCOMES GROUNDBREAKING CEREMONY FOR WEAP OFFICE BUILDING AND ENVIRONMENT EDUCATION CENTER

Environmental Management Bureau (EMB) Director, Engr. William P. Cuñado (center) leads the groundbreaking ceremony for the construction of the Water Environment Association of the Philippines (WEAP) Office Building and Environment Education Center at Brgy. Paltok, Quezon City on April 28, 2022. With him are WEAP officials (L to R) Alma Bella P. Madrazo, Phd., Consul Eunina V. Mangio, Engr. Cielito P. Establecida, Engr. Norman A. Tatco, Engr. Guillermo T. Pili, Jr., Engr. Jose de Jesus and GM Artemio F. Baylosis. As an accredited training organization/institution of EMB, WEAP has been conducting trainings for Pollution Control Officers since 2011. The construction of the new building will strengthen WEAP's efforts to continuously provide training for PCOs on pollution prevention and cleaner production towards improved environmental compliance.
