

## HISTORY

# ENVIRONMENTAL MANAGEMENT BUREAU

- The ENVIRONMENTAL MANAGEMENT BUREAU was created as a **Staff Bureau** of the Department of Environment and Natural Resources on July 10, 1987 by virtue of Executive Order No. 192. The Bureau is a merger of two environmental agencies namely (1) **The National Environmental Protection Council** and (2) **The National Pollution Control Commission**.
- Became a **Line Bureau** with its own offices and independent enforcement authority in 2002

# **LAWS MANDATED** ENVIRONMENTAL MANAGEMENT BUREAU

# CORE VALUES

These are guiding principles that help to define how EMB as a government agency behave in the workplace and in any other activities beyond.

**partnership**

**versatility**

# PARTNERSHIP

We are working with various sectors of the Philippine society (government, business and civil society) in the joint pursuit for sustainable development

# VERSATILITY

We promote the ability to adopt strategies in approaching the environmental obstacles we face everyday
