### TERMS and CONDITIONS:

1. The Report of Analysis (ROA) shall not be reproduced wholly or in part, cannot be used as evidence in the court of law and in any advertising medium without written permission from DENR-EMB.
2. The customer agrees not to use the ROA or data in a manner that may destroy the reputation or service of EMB-ERLSD.
3. The copy of ROA shall be retained by following the laboratory's documented procedure.
4. Samples will be disposed of after 30 days from the date of issue of the ROA unless otherwise required.
5. The customer has the responsibility to meet ERLSD's sample handling requirements, provide adequate information and necessary documents for the processing of samples.
6. The ERLSD shall be responsible, through legally enforceable commitments, for the management of all information obtained or created during the conduct of laboratory activities. The ERLSD shall inform the customer in advance, of the information it intends to place in public domain. Except for the information that the customer makes publicly available, or when agreed between the ERLSD and the customer (e.g., for the purpose of responding to complaints), all other information shall be treated proprietary information and shall be regarded as confidential.
7. When the ERLSD is required by law or authorized by contractual arrangements to release confidential information, the customer will be notified unless prohibited by law.
8. The ERLSD shall inform the customer of any changes on the availability of the ROA.
9. The Measurement Uncertainty (MU) estimates shall be provided upon request.

**This is to certify that I have reviewed the form, confirmed the correctness of data and information provided, and accepted the Terms and Conditions.**
