DENR holds turnover ceremony for key regional officials

The Department of Environment and Natural Resources (DENR) recently held a ceremonial turnover of duties and responsibilities for its regional officials from Central Luzon, MIMAROPA, and Eastern Visayas as part of the continuing transformational governance of the Department to improve public service.

Atty. Juan Miguel T. Cuna, DENR Undersecretary for Field Operations – Luzon and Visayas and the Environment witnessed the transfer of leadership between regional offices. With him were Engr. Gilbert C. Gonzales, EMB Director and concurrent DENR Assistant Secretary, for Field Operations- Luzon and Visayas; and Engr. Esperanza Sajul, EMB OIC-Assistant Director.

The key officials recently assigned to new posts were Regional Executive Director Lormelyn E. Claudio – Region 8; Regional Executive Director Arturo E. Fadriquela – Region 9; and Regional Executive Director Felix S. Mirasol – Region - 4B. Also, part of the re-organization were regional directors of the Environmental Management Bureau namely, Regional Director Wilson L. Trajeco assigned to Region 8, and Regional Director Martin Jose V. Despi assigned to Region 3.

In his message, Usec. Cuna lauded the accomplishments of each regional official and shared his positive outlook on their future contributions to their newly assigned posts. He reminded the regional executive directors and regional directors of the trust and confidence of the management about their skills and competence to overcome challenging situations in their assigned regions. ###
